REQUIRED AND ELECTIVE COURSES: 12th grade students must take at least 1 course more than what is needed for graduation when possible, with a minimum of 4 courses. Select classes carefully. Program changes are limited. Every effort will be made to place students in their first choice classes. All classes, unless otherwise indicated, are year-long. Any change requests must be in writing and given to the Torrance High Counseling Office by May 1, 2020. Summer school courses taken for acceleration are capped at a 10 maximum per core subject area with a 40 credits maximum over 4 years of high school. Courses taken for acceleration require a summer school approval form cleared by a counselor or administrator.
